ORM	PWA

## CERTIFICATIONS

- Cert 3 in Micro Business Operations** (January 2021)  
MTC Australia

## EDUCATION

University of Sydney  
Full-Stack Engineering

I recently graduated from the Sydney University Full-Stack coding bootcamp with a heavy focus on structure and language concepts. I developed my skills in MERN, JavaScript, HTML, CSS, SQL and a hand full of additional packages. My sales background allows me to leverage my excellent communication skills to effectively engage clients and be a strong team contributor.

## WORK EXPERIENCE

**University of Sydney**  
Software Engineer

(August 2022 - May 2023)

- Implementation of easy to read and reuse coding practices.
